ME...

Emma Dodd

The world is a very big place, especially for a tiny baby penguin who is just finding her feet. The shimmering stars and glistening snow spin around our little hero, while the mountains tower high and the wind rushes to and fro. And although baby penguin may be small her family know she's the biggest thing of all.

This early year's favourite is a lovely and touching story about a parent and their love for their child by much loved children's author Emma Dodd.
