

How to make... a pop out chick card

Suitable for ages 3-6 with adult help
Suitable for ages 7-11 independent working

You will need:

- A4 card
- A4 paper (white or yellow)
- Scraps of paper
- Pencil
- Coloured pens or pencils
- A glass or circle to draw around
- Scissors
- Glue

Create a pop out Easter or Spring greetings card to give to a family member or post to a friend.

Instructions

Step 1:

Fold your sheet of A4 paper in half. Draw three circles by drawing around a glass or something else circular to make sure they're all the same size.

Step 2:

With the paper still folded in half, cut out the circles so you end up with six circles. If you used white paper you can colour one side of the circles in yellow.

Step 3:

Fold each circle in half. If you have coloured in the circles, make sure the yellow side is on the inside.

How to make... a pop out chick card

Step 4:

Glue three of the folded circles together on top of each other.

Step 5:

Use a piece of scrap paper to cut out a beak and colour it in red or orange. Stick it on top of the outer semi circle, in roughly the centre.

Step 6:

Continue to stick the remaining three semi circles on top of each other until all of the circles are stuck together.

Step 7:

Fold your A4 card in half. Glue the back of the outside semi circles and stick your chick in the middle of the card.

Step 8:

Add some features to your chick including eyes, legs and wings. You could do this with pens or pencils or cut out bits of scrap paper and glue them on.

Decorate your card however you like. This could be Easter themed with eggs or more spring time animals. Add a message. You could decorate the front of the card as well.
