

REACH FOR THE STARS

THEATRE PRODUCTION FOR KS2 BUBBLES

TOURING TO SCHOOLS NOVEMBER 2020

What will my school receive?

By booking 'Reach for the Stars' your school will receive:

- 4 performances of 'Reach for the Stars' to **KS2** bubbles.
- The show incorporates workshop exercises on:
 - The Solar System
 - Striving for your goals
 - Good role models
- A digital education pack with resources and activities for you to use in the classroom.

About the show

Rocket into space with Nat as she overcomes her fears and strives to achieve her greatest ambition – to fly. Told through dazzling puppetry and inspired by the life of Mae Jemison, the first African American woman to go into space, this heart-warming and inspiring story encourages us all to strive for our goals.

Touring in a covid - 19 secure way

The show will be touring to multiple schools in a covid-19 secure way. It is a solo show and we have the following mitigations in place:

- Only the performer will come to your school.
- The performer will be 2m away from pupils and will perform end on at the front of the classroom or alternative space.
- Audience interaction will only be verbal from desks or where the children are seated.
- The performer will be wearing PPE and will be temperature tested daily.
- The performer will be tested weekly for covid-19. If the performer tests positive we will send a replacement performer, or provide as filmed version of the show at a reduced cost.
- The performer will sanitise their hands, set and puppets between performances.

Little Angel Theatre are experienced in touring to hospitals with high risk patients, and we have also recently delivered a covid-19 secure puppetry festival. We will be using our knowledge and experience of performing safely for this project.
