About the show

Floyd and his sister Ruby creep into the dark, shadowy valley behind their house... a valley full of all kinds of spooky, creepy creatures and the scariest of them all, the Bugaboo! Join Floyd and Ruby at every step of their journey, as you decide which path they take and what monsters they meet. The popular story by Sean Taylor (writer behind Little Angel Theatre's Finding Santa) is brought to life in Little Angel's first made-for-zoom, choose-your-own adventure style show for 5-11 year olds.
